## ABOUT US

**Quality calibration solutions Private Limited** is a quality calibration service provider company which is established in the year 2016 focused on the dream of bringing revolution in the sector of calibration. Thermal, Dimensional, Mass, Volume, Pressure, Vacuum, Force, Electrical etc are the parameters which are under our capabilities. Our highly qualified trained engineers must provide you trusted traceable calibration service in a minimum turnaround time. Our environmentally controlled precision laboratories are equipped with world class precision instruments and onsite service is also available for non-portable instruments. "One stop solution for all your calibration needs." This what our customers' want, what they need and it's what we provide.

## OUR SERVICES

**In-site Calibration**

**On-site Calibration**

**Consultancy**

**Training**

**Instrument selling with calibration**

**Quality Calibration Solutions Private Limited** is an independent calibration house providing calibration services for testing & measuring instruments.

**Pharmaceuticals**

Oven	Steel Scale & Measuring Tape	Stopwatch
Incubator	Weight & Balance	Dial Gauges
Muffle Furnace	Glassware	Digestor
Water & Oil Bath	Pipette	Micrometers
Pressure & Vacuum Gauges	Centrifuge	Gauge Blocks
Thermometer	Shaker	Calipers
Disintegration Tester	Dissolution Tester	etc

**Food & Beverages**

Secure seal Tester	Muffle Furnace	Digestor
Bursting Strength tester	Shaker	Thermometer
Oven	Weight & Balance	Gauge Blocks
Incubator	Glassware	Calipers
Water & Oil Bath	Pipette	Micrometers
Pressure & Vacuum Gauges	Perpendicularity Tester	Dial Gauges
Stopwatch	Eccentricity Tester	etc

**Textile**

Color Assessment (Light Box)	Perspirometer	Thermometer
Pilling Viewer	Washing machine	Incubator
Pilling Template	Dryer Machine	Oven
Pilling Machine	Wrap Reel	Weight & Balance
Shrinkage Ruler & Template	Lab Dyeing Machine	Button Pull Tester
Pressure & Vacuum Gauges	Rotator	Micrometers
Crock Meter	Bursting Strength tester	Gauge Blocks
Glassware	Shaker	Stopwatch
Pipette	Gyro wash	Steel Scale & Measuring Tape
GSM Cutter	Dyna wash	Martindale Pilling Tester
Fusing Machine	Needle detector	Heat seal Machine
Martindale Abrasion Tester	Tear tester	etc

**We also provide calibration services for other industries...**
